

NEWS MESSAGE 2010/5

To: All members & Delegates
Cc: Executive Board Members

- CRD to NPA 2008-07 – ELA Process, Standard Changes & Repairs, Certification Specs for light aircraft. Our TO Maintenance & Airworthiness, Howard Torode, is working in close cooperation with EASA to present the work EGU has prepared on this subject.
- FCL-MEDICAL "Opinion"
On the 13th December, EASA published its 'Opinion' and final draft of the 'IR' for the medical certification for flight crew and medical examiners. Our TO Licensing, Meike Müller, will update you during the congress meeting.
- FCL-LICENSING "Opinion"
As mentioned before, the "Opinion 04/2010" was published by EASA and handed over to the EU-Commission for final approval. It seemed that the political world was seriously involved again... .. Wait & see...
- CRD to NPA 2008-22 - ATO's
Despite our request for comments on the CRD, we only received 3...
During the board meeting, we finalised the possible comments and these were posted to EASA via the CRT on the 6th of December. We now have to wait for the publication of EASA's 'Opinion'.

The final transfer date of 08 April 2012 is approaching very fast...

An update of the rulemaking procedures will be presented at the congress meeting.

Please check the EASA website: <http://easa.europa.eu/agency-measures/opinions.php>

- Annual meeting 'Airspace Working Group' – 27 November Frankfurt
Despite the low number of participants, it was a fruitful meeting giving the possibility of exchanging information. The minutes will be available on the website in the coming days. Please motivate your delegate to participate next year!
- Congress Meeting 2011
As mentioned before, our congress meeting will be held in Madrid on 26-27 February 2011.
The official invitation, preliminary agenda and travel arrangements were posted to you last week. Note the deadline for the hotel booking. We do hope to welcome all members.
Please note that some time will be reserved for any members who wish to give a short presentation about any subject that might interest other members. Kindly inform our secretary in advance.
- Website
Thanks to Roland's dedicated work, the document area is again up to date.
- Executive Board
The last meeting took place on the 4th of December. Topics were the EASA rulemaking and the planning of the congress meeting.

*On behalf of the board and myself, we wish you
a Merry Christmas and a successful and safe 2011!*

Best regards,

Patrick PAUWELS
President
